## PEACE ARCH HOSPITAL AUXILIARY SOCIETY

The Peace Arch Hospital Auxiliary (PAHAS) was organized in 1948 to help raise funds to build a hospital in White Rock. The Auxiliary became a separate society in April 1998 and has its own Charitable Donation Number for Income Tax purposes. For over 60 years the PAHAS members have volunteered their time and effort to help our community hospital by raising funds for equipment and to bring smiles to patients and residents.

### OUTLINE OF THE P.A.H.A.S.

The elected officers of the PAHAS executive meet monthly. The council, comprised of the executive and representatives from each group also meet monthly. There are approximately 400 members, divided into 18 groups, each with their own executive, who meet to plan their own fundraising and social activities. PAHAS membership is \$3.50 per year, individual groups may also have membership/sunshine fund fees.
