Fraser Health Office

Our office is located on level 4 of the Central City Tower. Access can be gained through the door marked "Office Tower", across from the north end of the parkade. The elevators are to the left of the security desk. When on Level 4, go through the double glass doors (which open at 8 am) and report to the reception desk to sign in.

Reception: 604-587-4600

***Once you have parked your car, take the parkade elevator down to P1 – walk across the crosswalk to your left and enter the building through the double glass doors. Walk down the corridor to the very end, go through the door at the end and follow through to the office tower. You will arrive by the bank of eight elevators. Take an elevator to the 4th floor and enter the FH Reception area: please sign in at reception. Allow yourself at least 10 mins to park, pay and get to the fourth floor, as the lobby elevators are quite busy in the mornings and there could be a line up.*

Reminder: all workshops are a scent-free environment.
