DAY 3 - September 22, 2021

12:00-1:00 PM - Speed Networking Event | Open to all

Join us for a lunchtime meet-and-greet with your fellow Research Week attendees.

Attendees will have the opportunity to mingle virtually via a facilitated format. This speed networking event is an opportunity to make research partnerships, meet potential collaborators, or simply learn more about the diverse world of research and evaluation.

This event is open to all (including patient partners and the public), and can be attended separately from other talks. This event will not be recorded.

If you require tech support, please contact the Research Week support team:
