

# **Public List of Licensed Child Care Facilities**

## **Fraser North (Health Service Delivery Area #22)**

The child care facilities listed here are licensed by the Fraser Health Authority under the Community Care and Assisted Living Act. This list is updated approximately every 4 months.

Anyone providing care to 3 or more children who are not related to the caregiver by blood or marriage is required to have a valid Community Care Facility Licence. Licensing Officers conduct monitoring inspections and investigate complaints that a licensed child care facility may not be complying with the minimum health and safety standards set out in provincial licensing regulation. Licensed child care facilities in this public list are categorized according to the Child Care Regulations (as on Dec 1, 2011) as follows:

- Group Child Care (under 36 months)** Group child care (under 36 months) is a program that provides care to children who are younger than 36 months old. The maximum group size is 12 children per group with a separate area designated for each group. The number of infant & toddler educators, other educators and assistants will vary depending on the number of children present in each group.
- Group Child Care (30 months to school age)** Group child care (under 30 months to school age) is a program that provides care to preschool children. The maximum group size is 25 children per group with not more than 2 children younger than 36 months old in a single group. The number of educators and assistants will vary depending on the number of children present in each group.
- Preschool (30 months to school age):** Preschool (30 months to school age) is a program that provides care to preschool children who are at least 30 months old on entrance to the program and 36 months old by December 31 of the year of entrance. The maximum group size is 20 children per group. The number of educators and assistants will vary depending on the number of children present in each group.
- Group Child Care (School Age):** Group child care (school age) is a program that provides, before or after school hours or during school closure, care to children who attend school, including kindergarten. The maximum group size is 20 children if any preschool child or child in grade 1 is present; or 25 children if there are no preschool child or child in grade 1 present. The number of responsible adults present will vary depending on the number of children present in each group.
- Family Child Care:** Family child care is a program in which the licensee/operator is a responsible adult, and personally provides care, within the licensee's personal residence, to no more than 7 children. The number of children present in each age group will vary depending on whether there is a child younger than 12 months old present.
- Occasional Child Care:** Occasional child care is a program that provides, on an occasional or short-term basis, care to preschool children who are at least 18 months old, and care to each child for no more than 40 hours in a calendar month. The maximum group size is 16 children if any child younger than 36 months old is present; or 20 children if no child younger than 36 months old is present. The number of responsible adults present will vary depending on the number of children present in each group.
- Multi-Age Child Care:** Multi-age child care is a program that provides, within each group, care to children of various ages. The maximum group size is 8 children and the number of children present in each age group will vary depending on whether there is a child younger than 12 months old present.
- In-Home Multi-Age Child Care:** In-home multi-age child care is a program in which the licensee/operator personally provides care, within the licensee's personal residence, to no more than 8 children of various ages.
- Multi-Service Program:** A multi-service program is a child care facility that offers a combination of more than one of the above types of child care.
- Child-minding:** Care to children under 13 years of age which is provided under government contract while immigrant parents are on site and engaged in the English as a Second Language, settlement or labour market integration program.

## Child Care Resource & Referral Agencies

The following list of Child Care Resource & Referral agencies are funded by the Ministry of Children and Families Development and operate independently of the Fraser Health's Community Care Facility Licensing Program. These agencies are community-based and focus on education and support of parents and caregivers through educational opportunities; resource development; toy, resource and equipment lending; networking and peer support; links to other community resources; and a newsletter.
