BC Centre for Disease Control | BC Ministry of Health

## Guidelines for Essential and Social Visitors for Long-Term Care and Seniors' Assisted Living Facilities

**DO NOT  
ENTER IF SICK**

Cough or sneeze into your elbow and do not touch your face

All visitors must provide proof of full COVID-19 immunization (two doses)\*

Visits will not be permitted during active COVID-19 outbreaks

Clean hands before and after visiting

Use soap and water or alcohol-based hand sanitizer

Cough or sneeze into your elbow and do not touch your face

Visitors who are fully immunized need to wear a medical mask in hallways and common areas, but not when in direct contact with the person they are visiting

\*Visitors who do not provide proof of full immunization need to wear a medical mask at all times, including when in direct contact with the person they are visiting
