**CLASS ORDER (Long Term Care, Private Hospitals and Assisted Living Facilities)  
re: COVID-19**

**NOTICE TO ALL OWNERS, OPERATORS, LICENSEES, REGISTRANTS, DIRECTORS OF  
FACILITY AND DIRECTORS OF CARE OF LONG-TERM CARE FACILITIES, PRIVATE  
HOSPITALS AND SENIORS ASSISTED LIVING FACILITIES IN THE FRASER HEALTH  
REGION (CLASS)**

**ORDER OF THE MEDICAL HEALTH OFFICER  
(Pursuant to Sections 30, 31, 32, 39(3) and 54(1) *Public Health Act*, S.B.C. 2008)**

The *Public Health Act*, S.B.C. 2008, c. 28 and the regulations issued thereunder are available at:

<http://www.bclaws.ca/civix/content/complete/statreg/1922970521/08028/?xsl=/templates/browse.xsl>

**TO:** All owners, operators, licensees, registrants, Directors of Facility and Directors of Care (collectively "**Facility Operators**") of Long-Term Care Facilities, Private Hospitals and Seniors Assisted Living Facilities (collectively "**Facilities**")

**FACILITIES:** All Facilities within the Fraser Health Authority ("**Fraser Health**") region (as defined under the *Health Authorities Act*, R.S.B.C. 1996, c. 180)

**WHEREAS:**

- A. A communicable disease known as COVID-19 has emerged in British Columbia;
- B. SARS-CoV-2, an infectious agent, can cause outbreaks of serious illness known as COVID-19 among the public;
- C. A person infected with SARS-CoV-2 can infect other people with whom the infected person is in contact;
- D. On March 17, 2020, the Provincial Health Officer, Dr. Bonnie Henry declared the COVID-19 pandemic to be an emergency pursuant to Part 5 of the *Public Health Act*, S.B.C. 2008, c. 28;
- E. Residents, tenants and patients of Facilities, being predominantly individuals who are elderly and who may have underlying health conditions, are particularly at risk of developing severe illness upon becoming infected with COVID-19;

**fraserhealth**

Better health.  
Best in health care.

- F. Facilities within the Fraser Health region have experienced or may experience an outbreak or incidence of COVID-19 infection, such that it is necessary to implement protective measures in order to limit the possibility of further spread of COVID-19 and to protect the residents, tenants, patients and staff of Facilities;
- G. You belong to a class of people who are the owners, operators, licensees, registrants, Directors of Facility and Directors of Care of Facilities situated within the Fraser Health region; and
- H. I have reason to believe and do believe that the risk of outbreaks of COVID-19 in the Facilities constitutes a health hazard under the *Public Health Act*.

Better health.  
Best in health care.

**I HEREBY MAKE THE FOLLOWING ORDER PURSUANT TO SECTIONS 30, 31, 32, 39(3) and 54(1) OF THE *PUBLIC HEALTH ACT*:**

**THIS ORDER CANCELS AND REPLACES MY ORDER OF MARCH 24, 2020 DIRECTED AT OWNERS, OPERATORS, LICENSEES, DIRECTORS OF FACILITY AND DIRECTORS OF CARE OF LICENSED LONG-TERM CARE FACILITIES IN THE FRASER HEALTH REGION.**

**THIS ORDER CANCELS AND REPLACES MY ORDER OF APRIL 9, 2020 DIRECTED AT OWNERS, OPERATORS AND REGISTRANTS OF REGISTERED ASSISTED LIVING FACILITIES IN THE FRASER HEALTH REGION.**

Effective immediately on receipt of this Order, Facility Operators must:

1. Implement and comply with the *BCCDC Infection Prevention and Control for Novel Coronavirus (COVID-19) Interim Guidance for Long-Term Care and Assisted Living Facilities*, as published and updated from time to time by the BC Centre for Disease Control (the “**BCCDC Guidance**”) located at [http://www.bccdc.ca/Health-Info-Site/Documents/COVID19\\_LongTermCareAssistedLiving.pdf](http://www.bccdc.ca/Health-Info-Site/Documents/COVID19_LongTermCareAssistedLiving.pdf).
2. Comply with any additional directions regarding COVID-19 outbreak prevention and management which are issued in writing to the Facility by the Fraser Health Long Term Care and Assisted Living Coordination Centre (the “**Coordination Centre**”).

In exceptional circumstances, where an appropriate safety plan is in place to manage health hazard risks, the Coordination Centre may grant an exemption to any provision of this Order or any additional directions issued under this Order. Facilities must apply for an exemption by contacting the Coordination Centre and setting out the exceptional circumstances in writing.

Where there is a conflict or inconsistency between the BCCDC Guidance and directions issued by the Coordination Centre under this Order, the directions of the Coordination Centre will prevail.

This Order will remain in effect until terminated or varied by a Fraser Health Medical Health Officer. Directions provided by the Coordination Centre relating to this Order are effective until varied or cancelled by the Coordination Centre.

You are required under section 42 of the *Public Health Act* to comply with this Order. Failure to comply with this Order is an offence under section 99 of the *Public Health Act*. If you fail to comply with this Order, I have the authority to take enforcement action against you under Part 4, Division 6 of the *Public Health Act*.

Martin Lavoie, MD, FRCPC  
Chief Medical Health Officer, Fraser Health Authority  
400 - 13450 - 102nd Avenue  
Surrey, BC V3T 0H1

EFFECTIVE DATE: June 11, 2020.

SIGNED:

Martin Lavoie, MD, FRCPC  
Chief Medical Health Officer  
Fraser Health Authority

DELIVERED BY email to all Facility Operators and posting on the Fraser Health website.

Enclosure: Excerpts of *Public Health Act* and Regulations

**Excerpts of the PUBLIC HEALTH ACT and Regulations**

**Definitions**

1 In this Act:

"health hazard" means

- (a) a condition, a thing or an activity that
  - (i) endangers, or is likely to endanger, public health, or
  - (ii) interferes, or is likely to interfere, with the suppression of infectious agents or hazardous agents, or
- (b) a prescribed condition, thing or activity, including a prescribed condition, thing or activity that
  - (i) is associated with injury or illness, or
  - (ii) fails to meet a prescribed standard in relation to health, injury or illness;

**Division 4 — Orders Respecting Health Hazards and Contraventions**

When orders respecting health hazards and contraventions may be made

**30** (1) A health officer may issue an order under this Division only if the health officer reasonably believes that

- (a) a health hazard exists,
- (b) a condition, a thing or an activity presents a significant risk of causing a health hazard,
- (c) a person has contravened a provision of the Act or a regulation made under it, or
- (d) a person has contravened a term or condition of a licence or permit held by the person under this Act.

(2) For greater certainty, subsection (1) (a) to (c) applies even if the person subject to the order is complying with all terms and conditions of a licence, a permit, an approval or another authorization issued under this or any other enactment.

**fraserhealth**

## General powers respecting health hazards and contraventions

**31** (1) If the circumstances described in section 30 [*when orders respecting health hazards and contraventions may be made*] apply, a health officer may order a person to do anything that the health officer reasonably believes is necessary for any of the following purposes:

- (a) to determine whether a health hazard exists;
- (b) to prevent or stop a health hazard, or mitigate the harm or prevent further harm from a health hazard;
- (c) to bring the person into compliance with the Act or a regulation made under it;
- (d) to bring the person into compliance with a term or condition of a licence or permit held by that person under this Act.

(2) A health officer may issue an order under subsection (1) to any of the following persons:

- (a) a person whose action or omission
  - (i) is causing or has caused a health hazard, or
  - (ii) is not in compliance with the Act or a regulation made under it, or a term or condition of the person's licence or permit;
- (b) a person who has custody or control of a thing, or control of a condition, that
  - (i) is a health hazard or is causing or has caused a health hazard, or
  - (ii) is not in compliance with the Act or a regulation made under it, or a term or condition of the person's licence or permit;
- (c) the owner or occupier of a place where
  - (i) a health hazard is located, or
  - (ii) an activity is occurring that is not in compliance with the Act or a regulation made under it, or a term or condition of the licence or permit of the person doing the activity.

## Specific powers respecting health hazards and contraventions

**32** (1) An order may be made under this section only

- (a) if the circumstances described in section 30 [*when orders respecting health hazards and contraventions may be made*] apply, and

fraserhealth

Better health.  
Best in health care.

(b) for the purposes set out in section 31 (1) [*general powers respecting health hazards and contraventions*].

(2) Without limiting section 31, a health officer may order a person to do one or more of the following:

(a) have a thing examined, disinfected, decontaminated, altered or destroyed, including

- (i) by a specified person, or under the supervision or instructions of a specified person,
- (ii) moving the thing to a specified place, and
- (iii) taking samples of the thing, or permitting samples of the thing to be taken;

(b) in respect of a place,

- (i) leave the place,
- (ii) not enter the place,
- (iii) do specific work, including removing or altering things found in the place, and altering or locking the place to restrict or prevent entry to the place,
- (iv) neither deal with a thing in or on the place nor dispose of a thing from the place, or deal with or dispose of the thing only in accordance with a specified procedure, and
- (v) if the person has control of the place, assist in evacuating the place or examining persons found in the place, or taking preventive measures in respect of the place or persons found in the place;

(c) stop operating, or not operate, a thing;

(d) keep a thing in a specified place or in accordance with a specified procedure;

(e) prevent persons from accessing a thing;

(f) not dispose of, alter or destroy a thing, or dispose of, alter or destroy a thing only in accordance with a specified procedure;

(g) provide to the health officer or a specified person information, records, samples or other matters relevant to a thing's possible infection with an infectious agent or

Better health.  
Best in health care.

contamination with a hazardous agent, including information respecting persons who may have been exposed to an infectious agent or hazardous agent by the thing;

(h) wear a type of clothing or personal protective equipment, or change, remove or alter clothing or personal protective equipment, to protect the health and safety of persons;

(i) use a type of equipment or implement a process, or remove equipment or alter equipment or processes, to protect the health and safety of persons;

(j) provide evidence of complying with the order, including

(i) getting a certificate of compliance from a medical practitioner, nurse practitioner or specified person, and

(ii) providing to a health officer any relevant record;

(k) take a prescribed action.

(3) If a health officer orders a thing to be destroyed, the health officer must give the person having custody or control of the thing reasonable time to request reconsideration and review of the order under sections 43 and 44 unless

(a) the person consents in writing to the destruction of the thing, or

(b) Part 5 [*Emergency Powers*] applies.

#### Contents of orders

**39** (3) An order may be made in respect of a class of persons.

#### Duty to comply with orders

**42** (1) A person named or described in an order made under this Part must comply with the order.

(2) Subsection (1) applies regardless of whether the person leaves the geographic area for which the health officer who made the order is designated.

# Part 5 — Emergency Powers

## Division 1 — Application of this Part

### Definitions for this Part

#### 51 In this Part:

"emergency" means a localized event or regional event that meets the conditions set out in section 52 (1) or (2) [*conditions to be met before this Part applies*], respectively;

"localized event" means an immediate and significant risk to public health in a localized area;

"regional event" means an immediate and significant risk to public health throughout a region or the province.

### Conditions to be met before this Part applies

**52** (1) A person must not exercise powers under this Part in respect of a localized event unless the person reasonably believes that

(a) the action is immediately necessary to protect public health from significant harm, and

(b) compliance with this Act, other than this Part, or a regulation made under this Act would hinder that person from acting in a manner that would avoid or mitigate an immediate and significant risk to public health.

(2) Subject to subsection (3), a person must not exercise powers under this Part in respect of a regional event unless the provincial health officer provides notice that the provincial health officer reasonably believes that at least 2 of the following criteria exist:

(a) the regional event could have a serious impact on public health;

(b) the regional event is unusual or unexpected;

**fraserhealth**

Better health.  
Best in health care.

(c) there is a significant risk of the spread of an infectious agent or a hazardous agent;

(d) there is a significant risk of travel or trade restrictions as a result of the regional event.

(3) If the provincial health officer is not immediately available to give notice under subsection (2), a person may exercise powers under this Part until the provincial health officer becomes available.

Part applies despite other enactments

**53** During an emergency, this Part applies despite any provision of this or any other enactment, including

(a) in respect of the collection, use or disclosure of personal information, the *Freedom of Information and Protection of Privacy Act* and the *Personal Information Protection Act*, and

(b) a provision that would impose a specific duty, limit or procedural requirement in respect of a specific person or thing,

to the extent there is any inconsistency or conflict with the provision or other enactment.

## **Division 2 — Emergency Powers**

General emergency powers

**54** (1) A health officer may, in an emergency, do one or more of the following:

(a) act in a shorter or longer time period than is otherwise required;

(b) not provide a notice that is otherwise required;

(c) do orally what must otherwise be done in writing;

(d) in respect of a licence or permit over which the health officer has authority under section 55 [*acting outside designated terms during emergencies*] or the regulations, suspend or vary the licence or permit without providing an opportunity to dispute the action;

fraserhealth

Better health.  
Best in health care.

- (e) specify in an order a facility, place, person or procedure other than as required under section 63 [*power to establish directives and standards*], unless an order under that section specifies that the order applies in an emergency;
- (f) omit from an order things that are otherwise required;
- (g) serve an order in any manner;
- (h) not reconsider an order under section 43 [*reconsideration of orders*], not review an order under section 44 [*review of orders*] or not reassess an order under section 45 [*mandatory reassessment of orders*];
- (i) exempt an examiner from providing examination results to an examined person;
- (j) conduct an inspection at any time, with or without a warrant, including of a private dwelling;
- (k) collect, use or disclose information, including personal information,
  - (i) that could not otherwise be collected, used or disclosed, or
  - (ii) in a form or manner other than the form or manner required.

(2) An order that may be made under this Part may be made in respect of a class of persons or things, and may make different requirements for different persons or things or classes of persons or things or for different geographic areas.

## Offences

**99** (1) A person who contravenes any of the following provisions commits an offence:

- (k) section 42 [*failure to comply with an order of a health officer*], except in respect of an order made under section 29 (2) (e) to (g) [*orders respecting examinations, diagnostic examinations or preventive measures*];
