

# Vaccine registration

## Who should register?

- Registration is open to anyone **12 or older**.
- If you received your first dose of COVID-19 vaccine through a pharmacy or if you booked your first dose appointment through Fraser Health, via our online booking system CommsForms, please register with the provincial Get Vaccinated system as soon as possible.

## Why register?

- Registration is the **first step** towards getting vaccinated. It only takes a moment.
- Things are moving quickly. **You need to register** so you know when it's your turn for a first or second dose.
- Registering also helps us plan quantities of vaccine needed at each clinic.

## How do I register?

- Online at: **[getvaccinated.gov.bc.ca](https://getvaccinated.gov.bc.ca)**
- By phone at: **1-833-838-2323**. Translators are available.  
Telephone for the Deaf: Dial 711
- If you **don't** have a **Personal Health Number**, register by phone or at a Service BC office.
