School meals programs are in Mission! Please check school for local availability:
 Rotary Starfish Backpack Program, Isthmus Canada, Midday Rotary, SnackPack Society

Grow: Your own
Share: Eat Together
Enjoy: Eat Local

Mission is one of Canada's fastest growing communities as the Fraser Valley is one of the most welcoming places regarding finding jobs, policy and public health.

It is important to help new coming families feel welcome and aware of available supports as perceptions of social support is associated with recovery, coping with stress and better self-reported health.

How Can I Help?

Prepare: A Food hamper for St Joseph's Food Bank, MCS Food Centre or the Pantry etc.

Volunteer: At Mission Community Services or other non-profits in Mission! 33179 2nd Ave., Mission

Donate: At any community organization making an effort in Mission. For example the Mission Starfish Backpack program provides weekend meals for school aged children. www.starfishpack.com/Mission

Grow: Community gardens are a great place to get your hands dirty, meet new friends if you don't have a big backyard!

A Mission Guide to Food Security

What's Food Security?

When "all people, at all times, have physical and economic access to sufficient, safe and nutritious food to meet their dietary needs and food preferences for an active and healthy life." (FAO 2001)

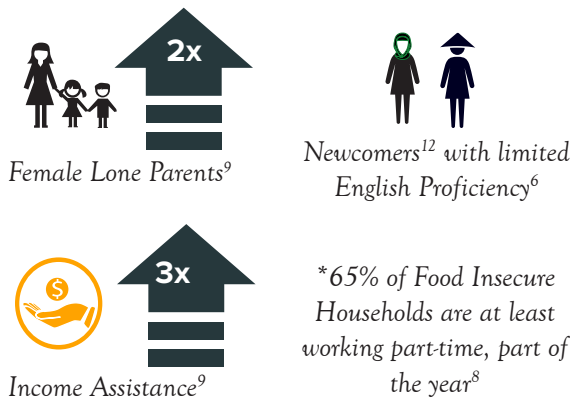

Why it matters

- Higher Food Security is associated with:
- ↓ Self-rated health¹
 - ↓ Life Expectancy²
 - ↑ Chronic Conditions³
 - ↓ Positive Mental Health¹ (↓14%)
 - ↑ Mood/Anxiety Disorders¹ (↓15%)
 - ↑ Diabetes⁴ (↓24%)^{PHR-2.40.95%CI - 1.17-4.94}

* Poor childhood nutrition is linked to lower IQ, wages and non-communicable disease¹¹. Chronic Stress is related to asthma, depression, heart disease & suicide idealization in youth¹⁰

Who's most affected?

15% of Mission Struggles with Food Security
Security equity efforts should focus on;

Food Security equity efforts should be targeted to single parents, and those on EI and social support. Targeted responses are essential to insulate children from the compounding effects of stress and poor nutrition which can permanently and adversely affect brain development.

Access: Short Term Relief

Mission Food Centre Free. No Stigma
