Declaration

I am an “Authorized Person” as defined in the Sewerage System Regulation “BC Reg. 326/2004.” **The signature and seal of the undersigned on this document certifies that:**

1. The holding tank has been constructed substantially in accordance with the permit, plans and specifications submitted to the Health Authority.
2. The Owner has been provided with:
 - A copy of the holding tank plans and specifications as submitted to the Health Authority.
 - A maintenance plan for the holding tank.
 - A copy of this Letter of Certification as submitted to the Health Authority.
3. If operated and maintained as set out in the maintenance plan, the holding tank will not cause or contribute to a health hazard.

* Where the authorized person is a professional, “supervision” means conducting field reviews of the construction of the above system that the professional in his or her professional discretion considers necessary to ascertain whether the construction substantially complies with the plans and specifications filed with the Health Authority.

Appended to this document is a plan of the holding tank as it was built and a copy of the maintenance plan.
