Violation Ticket Offenses Issued Against Tobacco & Vapour Facilities

This program focuses on preventing the display, promotion and sale of tobacco & vapour products to minors as well as protecting the public and employee from the effects of secondhand smoke through inspections and compliance checks by Environmental Health Officers.

Tobacco Enforcement Officers employed by Fraser Health Authority complete routine, follow-up and complaint inspections to help ensure that facilities are complinace with the applicable public health legislation. Officers have a variety of tools at their discretion which include but are not limited to education, violation tickets, orders and court action.
