

## Notice

### Entrance and Parking Changes at Burnaby Hospital For Patients and Visitors

The expanded Support Facilities Building and Health Care Pavilion will open on **March 10, 2026**, as part of Phase 1 of Burnaby Hospital's redevelopment. **Please see below for information on entrance changes and new parking areas for Burnaby Hospital patients and visitors.**

#### Entrance Changes

Effective **March 10**, the Phase 1 roundabout (Patient Drop-off Area) and new East Parkade B will be opened.

Patients and visitors can now enter the hospital via the **West Wing Entrance, South Entrance, or East Entrance** (see map above). Please note the hours of operations for each entrance.

*See the next page for information on parking.*

# Phase one activation

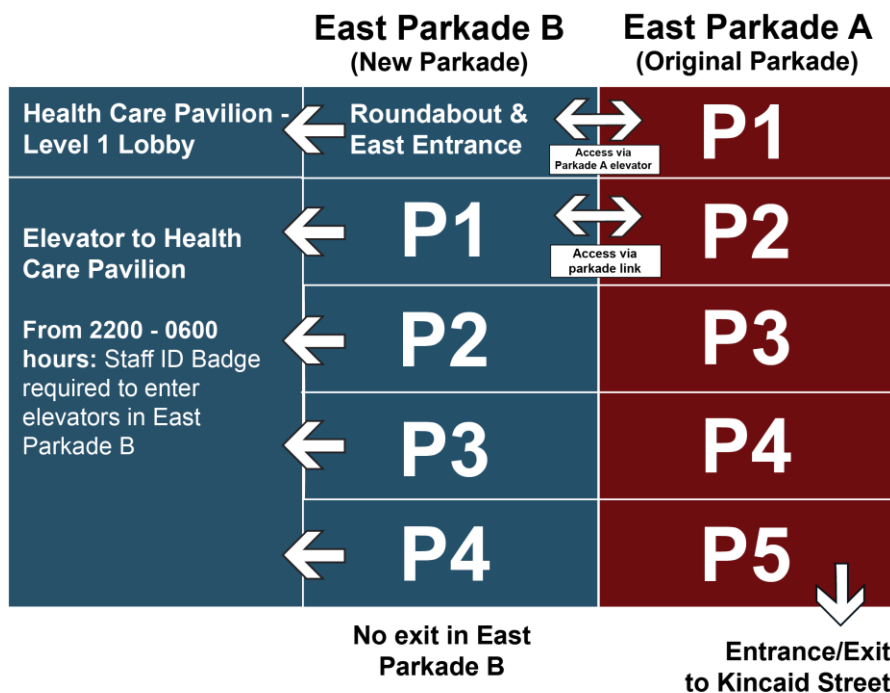

March 9, 2026

## New Parking Zones

The newly constructed parkade will open on **March 10, 2026**. Over 100 parking stalls will be added to the campus in total, including a 28% increase in assigned patient and visitor stalls.

Designated patient and visitor parking is located at our **Emergency Parking Lot, East Parkade A – Level P1** (including 20-min pick-up and drop-off stalls), and **East Parkade B – Level P1 & P2**.

The new **East Parkade B** is located underground below the Health Care Pavilion and is connected to the original parkade (now referred to as **East Parkade A**). You can only enter East Parkade B via the connection points illustrated in the image below.

## Free Shuttle from Skytrain

A free shuttle links Burnaby Hospital with Gilmore and Patterson SkyTrain station. [Find shuttle schedule online.](#)
