

Online Session

FRAILTY AS THE CENTRE OF OLDER ADULT CARE

Thursday, May 25, 2023

10:00AM - 2:30PM PST

You are invited to the online educational symposium where world-leading Canadian doctors will talk about frailty care and prevention for healthy aging.

Our speakers are:

- Dr. Kenneth Rockwood: "Why we must face up frailty now"
- Dr. John Muscedere: "Preventing and mitigating frailty for healthy aging"
- Dr. Barry Clarke: "Reverse Rourke - Primary care as potential frailty managers"
- Dr. Grace Park: "Frailty prevention and healthcare"
- Dr. Belinda Robinson: "Reframing frailty care"
- Dr. Angela Brooks-Wilson: "Optimal physiological values relevant for healthy aging"
