

Are you a home health client, family member or caregiver?

We want to hear from you!

Share your experience to help us improve Fraser Health Authority Home Health services.

Details: We would like to learn from clients and family members/caregivers about their experience accessing and receiving Home Health services. The information gathered will be used to inform improvements to Home Health services for the benefit of those who use them.

Confidentiality: Information collected will not be shared with your home health care provider. Personal information, such as your name, address and phone number, will be kept confidential. Participation in this process will not impact the care you are receiving.

Format: In-person, virtual or via telephone

Contact: To learn how you can participate, contact us at:

- Email: simplifiedaccess.cmf@fraserhealth.ca
- Phone: **(236)-632-5706**
