REMINDER* *W.A.S.A. Matter with your Wound Care?

- Wounds have a significant impact on resident quality of life and as such, has been identified as a regional Fraser Health priority. Preventing and managing wounds is an issue that you, our care community leaders, have identified to be important to you.
- The Regional Clinical Nurse Educators and Regional Wound Care Clinicians have developed a half day, in-person education session focused on the fundamentals of wound care that we are excited to invite you to attend.
 - When: June 4th, 2024, 0830 - 1300
 - Where: Oasis auditorium, Elim Village
- Each care community is invited to bring one or two clinical leaders to participate and share knowledge.
- Please see attached invitation for more details and to register for the event **by May 17th. This will be a one time offering.**
- If you have questions, reach out to Dominique Parmentier (dominique.parmentier@fraserhealth.ca)
