***NEW* LTC Quality Improvement (QI) Repository – Regional Launch**

- The LTC Quality expansion team has launched a Quality Improvement (QI) Repository on **Feb 13, 2025**.
- The centralized resource highlights QI initiatives across all Fraser Health (FH) LTC communities, including both Owned & Operated and Affiliated.
- The QI Repository is available to all LTC leadership within FH, including representatives from both FH-Owned & Operated, as well as Affiliated LTC communities. This includes QI champions, Care Community Medical Directors, and other leads within your care community.
- Please see attached KYI for more details and how to get access for both LTC Owned and Operated and Affiliate members.
- For access-related inquiries, contact Raymi.Komal@fraserhealth.ca. For questions about the QI Repository, reach out to Kirsten.Rossiter@fraserhealth.ca

***REMINDER* Fraser Health LTC Quality Community of Practice – Feb 27th, 2025**

- Our upcoming LTC Quality Community of Practice (CoP) meeting is scheduled for February 27th from 1:00–2:00 PM (virtually on Microsoft teams)
- This session will bring together local Directors of Care (DOCs) and managers from the north, south, and east regions, along with members of the Clinical Practice Advisory, Quality Partners, the Quality Improvement (QI) expansion team, and more.
- The agenda includes QI presentations from care communities highlighting their initiatives, as well as other FH QI updates.
- If you have not received an invitation and would like to join, please contact Raymi Komal at raymi.komal@fraserhealth.ca.
