

Sept 19th, 2024

Sent on behalf of the Fraser Health Integrated Long-Term Care and Assisted Living Services

UPDATE* *Townhall - Fall Immunization Campaign & Respiratory Illness (RI) Season Planning LTC/AL

- A townhall is being planned with the date and time as we update our distribution lists. The invite will be sent out September 23rd, 2024.
- Tentative date is October 3rd, 2024 2:00-3:15pm.

UPDATE* *Flu School: LTC Education session 2024-2025 season

- It is that time of year again for the Annual Public Health Respiratory and Gastrointestinal Illness Education session for the 2024-2025 season (also known as “Flu School”).
- This session will include:
 - A review of the 2023-2024 season for RI and GI
 - Updates for the upcoming season in regard to: Follow up for Respiratory (RI) and Gastrointestinal (GI) Illness in LTC Care Communities
 - Updates to the RI and GI Toolkit
 - How to Navigate information in the RI toolkit
 - Influenza and COVID-19 Vaccine and Immunization Information
 - Updates from Infection Prevention and Control
- The date will be **Oct 10th, 2024, from 09:30-11:30am**. The session will be virtual and a teams invite will be sent shortly.
- If you have any questions, please contact: Meghan.Cronin@fraserhealth.ca

REMINDER* *In Person Wound Care Education Offerings

- In-person skin & wound care classes are restarting this fall with the following topics:
 - Module 1 – Basic Prevention and Management of Skin Breakdown
 - Module 2 – Lower Leg Wounds, Non-healing Wounds and Stomas
- Please refer to the attached KYI for more information, available date and how to register.
- If you have any questions please reach out to the Regional Wound Care Clinicians: Kristen Avery-Girard at kristen.avery-girard@fraserhealth.ca and Kristina Cantafio at kristina.cantafio@fraserhealth.ca.
