

Sept 26th, 2024

Sent on behalf of the Fraser Health Integrated Long-Term Care and Assisted Living Services

***REMINDER* Townhall - Fall Immunization Campaign & Respiratory Illness (RI) Season Planning LTC/AL**

- The Townhall for Fall Immunization Campaign & Respiratory Illness (RI) Season Planning is scheduled for October 3rd, 2024 2:45-3:45pm.
- The invite has been sent and agenda to follow.

***NEW* LTC Performance Monitoring Scorecard report - Call out for shared working group**

- We are looking for a minimum of one representative from LTC owned and operated and one representative from Affiliated care communities to join a one-hour session to provide feedback on the design of the static report.
- The session will be scheduled in October 2024.
- Please reach out to bindu.mohan@fraserhealth.ca, if you are interested.

***NEW* Canadian Malnutrition Awareness Week™ 2024: Enriched Foods for LTC Residents Free Webinar and Infographic**

- The Canadian Malnutrition Task Force (CMTF) and the Canadian Nutrition Society (CNS) are delighted to be hosting their annual Canadian Malnutrition Awareness Week™ (CMAW) campaign from October 7 to 11, 2024.
- This year's theme is "ACT-Advocate, Collaborate, Transform", which will highlight the power of advocating and collaborating with healthcare teams and stakeholders to transform nutrition care. #CMAW24.
- Join leading nutrition experts and multidisciplinary speakers for an engaging lineup of webinars, including a LTC specific webinar, *Managing Malnutrition in Long Term Care: Food First Approach & Effective Menu Planning*, on Thursday October 10th at 9:00 – 10:00am. Discover the latest research, best practices, and insights on malnutrition care and advocacy. Registration is free for everyone via the following link: <https://cns-scn.ca/events/2024/10/10/managing-malnutrition-in-long-term-care-food-first-approach-effective-menu-planning>
- Also, check-out the free CMAW 2024 tools (infographic attached) and discover how you and your team can actively participate and contribute to this important cause. Visit CMAW's official website for detailed information:
