

P.I.E.C.E.S.TM Education Long-Term Care (LTC)

What's Happening?

- P.I.E.C.E.S.TM education is being offered monthly to LTC care clinical leads. (e.g., Resident Care Coordinators, Director of Care, CNEs LPNs and RNs.) and other regulated health care providers
- The program is offered monthly and is delivered virtually via ZOOM over two full days
- P.I.E.C.E.S.TM provides health care practitioners with a practical, reflective and evidence informed approach to guide *collaborative engagement, shared assessment and supportive care* with older adults at risk or living with complex conditions and changes in behavioural expression associated with:
 - Neurocognitive disorders (including but not limited to dementia)
 - Mental and substance use disorders
 - Other neurological conditions
 - Physical health complexities
