

Help us shape the future of Long-Term Care and Assisted Living.

Volunteer and partner with us!

Long -Term Care and Assisted Living Network

What is the opportunity?

Long-Term Care and Assisted Living is **looking for people in our care and their caregivers** to volunteer and share their perspective. This is an opportunity to partner with Fraser Health leadership to improve the quality of life and care in Long-Term Care and Assisted Living throughout the region.

What will we do?

Share your perspectives about:

- Long-Term Care and Assisted Living Services
- Data Review and Analysis
- Collaborative partners
- Strategic Planning
- Resources for the region to support consistent, high quality and safe care

What is the time commitment?

Participate in virtual meetings via MS Teams with Long Term Care and Assisted Living leaders, physicians, and clinical and operational supports.

The meetings will be 4 times a year on the third Thursday of the month. **Next meeting is September 15.**

I'd like to get involved:

If you are interested in taking part then be prepared to:

- Share your experiences in ways that others can learn from them
- See beyond your own personal experiences
- Show concern for more than one issue or topic
- Listen well
- Respect the experience of others
- Speak comfortably in a group
- Available to attend meetings
