P.I.E.C.E.S.TM Education Long-Term Care (LTC)

What's happening?

- P.I.E.C.E.S.TM education is being offered again to LTC community clinical leads (e.g., Resident Care Coordinators, Director of Care, CNEs etc.).
- The program will be delivered virtually via TEAMS over two full days.
- The two-day sessions will be offered once a month starting in September.
- P.I.E.C.E.S.TM provides health care practitioners with a practical, reflective and evidence informed approach to guide *collaborative engagement, shared assessment and supportive care* with older adults at risk or living with complex conditions and changes in behavioural expression associated with:
 - Neurocognitive disorders (including but not limited to dementia)
 - Mental and substance use disorders
 - Other neurological conditions
 - Physical health complexities

How this may affect you?

- Registration for P.I.E.C.E.S.TM education is located on the Learning Hub:
 - P.I.E.C.E.S. (two-day) Program for Long-Term Care only course: Day 1 # 13060 and Day 2 # 28884.
- Participants choose the **month** to participate (September, October or November) and register for **both** Day 1 and the corresponding Day 2 of the **same** month.

Dates for the virtual sessions (must attend Day 1 and Day 2 of the same month):

- September 20, (Day 1) and 27, (Day 2) 2022
- October 18, (Day 1) and 25, (Day 2), 2022
- November 15, (Day 1) and 22, (Day 2), 2022

Each session will run 0800-1600.
