NEW PIECES Education Long-Term Care

- P.I.E.C.E.S education is being offered monthly to LTC care clinical leads (e.g., Resident Care Coordinators, Director of Care, CNEs etc.) and other regulated health care providers
- Registration for the sessions can be found on the Learning Hub
- Please see attached KYI for details

REMINDER Opportunity to be part of our LTC/AL Emergency Management Working Group

- **We want to work with you and learn from your experience!** We are looking for 3 LTC and AL operator representatives from the north, south and east regions to participate in our Emergency Management Working Group.
- The Emergency Management Working Group is responsible for ensuring the preparedness of LTC and AL care homes for various environmental and seasonal emergencies.
- Meeting frequency may be up to one hour every week, depending on needs.
- **If you are interested to be a member representative please contact Nitu Mankatala at nitu.mankatala@fraserhealth.ca. Please indicate for which region/area you wish to be a representative.**

NEW Prime Enrollment for PharmaNet

- To enhance the security and privacy of patient information in the BC PharmaNet system, the Ministry of Health (MOH) has launched PRIME, an online application where **ALL PharmaNet users will be required to enrol.**
- This applies to all medical staff, dentists, nurse practitioners, midwives, pharmacists and other prescribers. It also applies to those who access PharmaNet on their behalf, such as nurses, pharmacy technicians, MOAs and other clerical staff.
- Please see attached KYI for more detail and instruction on how to enrol and share with staff.
