***REMINDER* LTC Quality Community of Practice (CoP) on May 15th, 2023**

- We have our upcoming LTC Quality CoP on **May 15th from 1:00-2:30pm**, integrating local geographic (north, south, east) Directors of Care (DOC), members of Clinical Practice Advisory, Quality Partners including the Quality Improvement (QI) expansion team and more.
- We will have QI presentations from care communities sharing their initiative's and we will be introducing new QI resources/tools for care communities to utilize for future QI work
- The meeting will be hosted virtually and in person at Abbotsford Regional Hospital.
- If you have not received an invite and would like to participate please contact Raymi Komal at raymi.komal@fraserhealth.ca and if you would like to attend in person, please specify **as space is limited**.

***UPDATE* Changes in progress to RI toolkit checklists & New Infection Prevention Control (IPC) posters**

- The RI toolkit checklists are being updated to incorporate the changes introduced by the Public Health (PH) orders announced on April 6th.
- In addition new IPC posters will be introduced to replace the current [Tool 12](#) "Signage to Use during the Respiratory Virus Season" in the [Viral RI toolkit](#)
- These updates will be made available shortly.
