***NEW* Ministry of Health - Residential Care Facilities Staff Information Collection Order**

- As of November 1st, the Residential Care Facilities Staff Information Collection Order **has been rescinded**.
- As per the notice of the Provincial Health Officer, “The collection information about staff is no longer needed to support the response to the “regional event” as described in the notice issued by me on March 17, 2020, also known as the SARS-CoV-2 public health emergency.”
- For more details, please see [Termination of Residential Care Staff Information Order \(gov.bc.ca\)](#)

***REMINDER* BC INFORM (Improving Nursing home care through Feedback On performance data) Cohort II Recruitment – ONE spot remaining!**

- INFORM is a partnership between Michael Smith Health Research BC and BC’s 5 regional health authorities. It is an evidence-based model that assists managers in working with and acting on data-based feedback. For this upcoming cohort, we will be using the Office of the Seniors Advocate (OSA) survey results to drive improvement projects.
- The BC Long Term Care Quality Initiative (LTC-QI) team are inviting **seven** LTC homes per health authority (35 across the province) for the 2024 cohort (January – May 2024). It is first come, first serve for participation so don’t wait! Please see attached KYI and poster for more information
- Contact your Regional Practice Lead, Kirsten Rossiter (Kirsten.rossiter@fraserhealth.ca) for more information or to participate.
