NEW “We want fish and chips:” care before cure Podcast

- Tune into Fraser Health’s new podcast: The Heart of It
- In this episode, Dr. Akber Mithani, Regional Medical Director, Long-Term Care & Assisted Living, and Dr. Victoria Lee, CEO discuss what matters to seniors and how deep listening can ensure that we are not only meeting their needs, but driving compassionate and connected systems of care
- [Listen to and watch the episode](#) and be sure to subscribe to *The Heart of It* in your favourite podcast player app so you don’t miss a beat

Reminder Last Reminder to Complete Facility Influenza Readiness Report

- This is a reminder to complete and submit the Facility Influenza Readiness Report to Public Health. We request that it is submitted to public health via Cerberus immediately.
- If you do not have a Cerberus account, please follow these instructions on how to create an account. If Cerberus is down, please fax the report to 604-507-5439.
- Please find attached a PDF fillable version of the Facility Influenza Readiness Report and a guide to assist on completing it. If your care community has already submitted the Facility Influenza Readiness Report, please disregard this message.
- Please feel free to reach out to Public Health with any questions/concerns at 778-368-0123.

REMINDER PIECES Education for LTC/AL

- PIECESTM education is available to LTC and AL direct care nurses (RN/RPN/LPN), clinical leads (e.g. Resident Care Coordinator, Director of Care, CNE,) and other regulated health care providers.
- PIECESTM provides health care practitioners with a practical, reflective and evidence informed approach to guide collaborative engagement, shared assessment and supportive care with older adults at risk or living with complex conditions and changes in behavioural expression
- Please see the attached KYI for registration and more details including schedule
- Please direct all questions to FHLTCPIECESFacilitators@fraserhealth.ca
