

Sent on behalf of the Fraser Health Long-Term Care and Assisted Living Coordination Centre

UPDATE Ministry of Health COVID-19 Vaccine Portal

- The vaccine portal will be updated to reflect booster/third dose for residents and staff
- For any provider who has previously entered resident/staff COVID-19 vaccine information into the portal, the 3rd dose update is targeted to appear in the portal by Nov. 19.
- For any new resident or staff member, their COVID-19 vaccine information will have to be manually entered into the portal.

NEW Independent Living COVID-19 booster vaccination

- Independent Living residents are prioritized for the Nov-Jan 2022 booster rollout.
- Boosters are being provided through Public Health community-based immunization clinics and community pharmacies.

UPDATE Mask Use in Healthcare facilities

- Effective immediately children 5 years and older must wear a mask.
- Fraser Health guidelines are currently being updated.
