

December 9, 2021

## Sent on behalf of the Fraser Health Long-Term Care and Assisted Living Coordination Centre

### **\*NEW\*** 2021 Holiday Season Quick Reference Guide

- Includes activity guidelines on entertainment, food, singing and bus outings to help ensure everyone enjoys a safe, healthy and happy holiday season.
- [Holiday Season Quick Reference Guide](#)

### **\*NEW\*** Personal protective equipment (PPE) supply service interruptions

- The Provincial Health Services Authority (PHSA) warehouse will be closed to regular PPE orders between December 25 and 28, 2021, and January 1 and 3, 2022.
- Sites that expect to need PPE supplies during these timeframes must place their supply order **BEFORE 12:00 p.m. on December 20, 2021**. The warehouse will re-open December 29 – 31, 2021, for regular PPE orders, but there may be shipping delays.
- Urgent orders for outbreak and enhanced monitoring sites can still be placed during warehouse closure using the normal after-hours order process.
- Questions? Contact PHSA Supply Chain Customer Service at 604-297-9267 or [scm\\_cs@phsa.ca](mailto:scm_cs@phsa.ca)

### **\*UPDATE\*** Admissions to LTC/AL during COVID-19

- Algorithms for admissions from acute and community to LTC/AL have been merged.
- Additional scenarios have been added for acute transfers to LTC/AL to include Acute Care Alerts and Enhanced Monitoring.
- [Admissions to LTC/AL/CV during COVID-19 Algorithm and Table](#)

### **\*UPDATE\*** COVID-19 Prevention Assessment Survey completion deadline December 17, 2021

- All LTC and AL and Campus of Care (LTC, AL and IL) Providers are invited to participate in the COVID-19 Prevention Assessment Survey.
- Please complete the survey by December 17, 2021.
- We appreciate your feedback on the current prevention assessment process as it helps to identify opportunities for improvement.
