- G. The Quality Performance Committee reviews, evaluates and reports to the full Board on the privileges of members of the medical staff and other issues received from the Health Authority Medical Advisory Committee.
- H. Undertake special assignments from the Board in matters related to quality in the Fraser Health, or make such inquiries or reports as the Board may request or the Committee considers appropriate.

ACCOUNTABILITY

The Committee shall report its discussions to the Board by distributing the minutes of its meetings and where appropriate, by oral or written report at the next Board meeting.

4. IMPLICATIONS OF THE EVIDENCE ACT

- A. Section 51 of the Evidence Act provides that records and information arising out of quality assurance activities in hospitals are privileged and are not subject to the Freedom and Information and Protection of Privacy Act (FOIPP Act).

Within the Evidence Act, Quality Assurance is the component of the system related to care provided to patients, residents and clients by Health Professions (see **Note**).

- B. The Evidence Act protects the Quality Assurance of hospitals as defined in the Hospital Act, the Hospital Insurance Act and the Mental Health Act.

To qualify under Section 51, a hospital must comply with the specific set of rules laid out in the Act.

- C. Only those documents/deliberations specifically prepared by or for a Quality Assurance Committee are protected under Section 51. It will be the responsibility of management to ensure that it is made clear on the face of the document that it was created for ultimate submission to the Committee, e.g. marked "Confidential – Quality Performance Committee".

- D. The Quality Assurance activities of Home and Community Care, Public Health, and Community Mental Health are not protected by the Evidence Act. The quality assurance activities of these programs may, however, be exempted from disclosure under certain segments of the FOIPP Act. In circumstances where, in the judgment of management, the activities reasonably fall within the exemptions provided by the FOIPP Act, any reports to the Committee should again be marked “Confidential – Quality Performance Committee”.
- E. The Quality Performance Committee should have an in-camera agenda for Quality Assurance and FOIPP exempted items and, if necessary, a regular agenda for any other issues and reports.
- F. While business conducted within Committees is not open to public participation, the Minutes of the Board may be. In these circumstances, the reports of the Quality Performance Committee should appear on the in-camera agenda and must be so identified and presented to the Board only when the Board is in-camera.

Note: *Health Professionals are defined in the Health Professional Act as Medical Doctors, Registered Nurses, Dentists, Pharmacists, Registered Psychiatric Nurses, Pharmacists, and persons registered as a member of a College established under the Act.*

5. COMMITTEE WORK PLAN

The Committee will prepare and follow a work plan for the committee schedule of activities.
