

Bringing Culturally Safe Services To You

Why do we ask, “Do you identify as Indigenous or Aboriginal?”

We ask this to offer care and services that may be important to you and your culture. This may include Aboriginal Health Liaisons, Elders and Cultural Advisors.

Connecting with an Aboriginal Health Liaison or other services is your choice. Our goal is to make sure that everyone feels safe using Fraser Health services.

What Indigenous Cultural Services Do We Offer?

We have these people available:

- **Aboriginal Health Liaisons**
- **Cultural Advisors**
- **Elders**

Anyone can ask for Indigenous Cultural Services.
