

HEALTHY BACK TO SCHOOL

WHAT YOU NEED TO KNOW FOR SEPTEMBER 2021

Masks are **required** in all indoor areas for K-12 staff, visitors, and students in grades 4+

Vaccines are an important way to reduce the risk of COVID-19 transmission.

Get vaccinated at one of our walk in clinics: fraserhealth.ca/vax.

Students and staff should complete **daily health checks**, stay home when feeling sick and practice diligent hand hygiene.
