

FTIR SPECTROMETER DRUG CHECKING

CHECK YOUR SUPPLY BEFORE YOU GET HIGH • **Purpose** INSPIRING CHANGE

**MON-THURS: NOON-9:30 PM**

**FRIDAY: 11-5PM**

**SUNDAY: 3:30-9:30**

Drop samples off at 38 Begbie Street  
(Purpose Society) until 4:30 pm.

After 4:30 pm, drop-off behind Purpose  
Society on Alexander Street  
(across from Ki Sushi)  
at the Safe Injection Site

## WHAT YOU NEED TO KNOW

In addition to the FTIR machine, we use Fentanyl, Benzodiazepine and LSD test strips

The machine does not detect substances that are present **BELOW 5%**

All samples are destroyed after checking

We cannot guarantee that a drug is safe to use

You will **NOT** get your sample back.

Sample size needed is about the size of half a match head

**NO DRUG SAMPLES ARE STORED AT PURPOSE SOCIETY**
