

CONSTRUCTION SITE during and after Phase One

During Construction (now to end of 2019)

- 1 The northern portion of the lane (from Sherbrooke to Allen St.) and its sidewalk will be closed. May to June 2017
- 2 The site will be fenced including the lane from Keary St. to just north of Allen St., and including the west half of Allen St. June 2017 to January 2020
- 3 The sidewalk on Copperstone's south side will remain open, but may be disrupted at times
- 4 Copperstone's parkade entrance will be given priority access at all times
- 5 During excavation trucks will enter the site from Brunette Ave. and then Allen St., and will exit onto Keary St. and then Brunette Ave.
- 6 This heliport will close in summer 2017 and be removed. A new heliport will open on the hospital's west side

After Construction (early 2020 onwards)

- 1 The lane and west half of Allen St. will be for hospital service vehicles; there may be bollard posts (••) to prevent local traffic
- 2 A sidewalk will run from Sherbrooke St. to Keary St. and on both sides of Allen St.
- 3 The east corner of Allen St. will be made safer for right turns onto Brunette Ave.
- 4 Visitors driving to the mental health facility's main entrance must use Keary St.; the drop off road will be one-way and is not intended for residential traffic
- 5 The parkade's entrance and exit will be on Allen St. for visitors, staff and hospital transfers
- 6 Sidewalks and street frontage will be improved along the facility's side of Brunette Ave.
- 7 Vehicles servicing the facility will park in designated areas. The area along Brunette will be used for post-disaster refueling only
