

Keary Street Construction Update - Nov 1, 2018
 (From East Columbia to Brunette Ave)

IMPORTANT DATE CHANGE

Both lanes of Keary Street will now stay closed/under construction at East Columbia St until likely Monday, November 12 (NEW DATE) preventing no entry/exit via East Columbia or thru traffic to Brunette.

- Please continue to use Brunette Avenue ONLY to access this section of Keary until further notice.
- Thank you for your patience.

As a reminder, then after approximately **Nov 12 (new date)** and until early 2019 vehicle access will change throughout the day (to accommodate thru-traffic when possible) as follows:

Keary Street Access as of Approximately Nov. 12 (NEW DATE) and Until Early 2019

<p>7am-3pm Mon-Fri 9am-3pm Sat</p>	<p>Expect two-way, single-lane alternating thru traffic on Keary. Use E. Columbia OR Brunette to Enter and Exit Keary.</p>
<p>3pm-7pm Mon-Fri 3pm-6pm Sat</p>	<p>Expect no thru traffic on Keary or access to/from E. Columbia St. Use Brunette ONLY to Enter and Exit Keary.</p>
<p>After 7pm Mon-Fri After 6pm Sat All day Sun/Holidays</p>	<p>Expect one-way, eastbound, single-lane thru traffic on Keary. Use E Columbia ONLY to Enter Keary; Use Brunette ONLY to Exit.</p>

- **Sherbrooke paving has been delayed due to weather.** Until paving is underway northbound drivers needing access to Keary can continue to use East Columbia>Sherbrooke>Brunette>Keary.

For Concerns or More Info on Hospital Construction

Construction notices can be found at fraserhealth.ca/royalcolumbian which is where to [sign up for future notices](#), or learn more about the hospital's redevelopment. Direct questions or concerns related to hospital construction to feedback@fraserhealth.ca or 604.418.5326.
