

Construction Notice

January 25, 2024

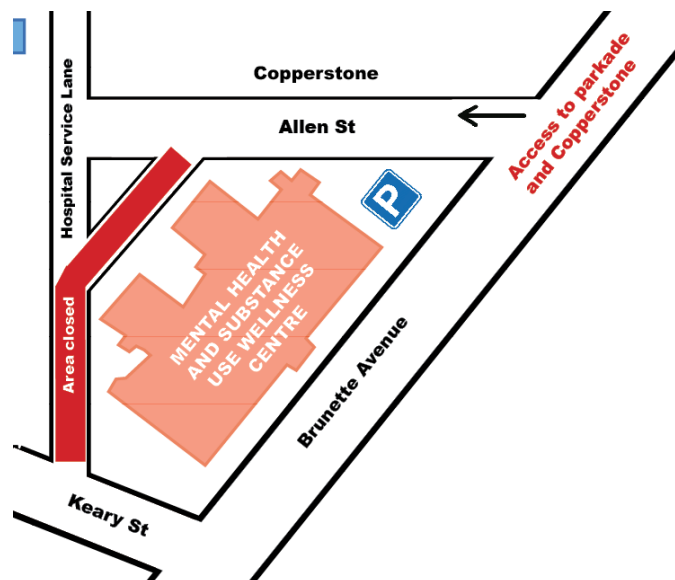

Service Lane Closure on February 1 by the Mental Health and Substance Use Wellness Centre

What's happening?

- There will be no vehicle access between Keary Street and Allen Street on February 1, 2024 from 7 a.m. to 3 p.m.
- Access to Allen Street will be via Brunette Avenue only.
- The closure is needed so that our Facilities Maintenance and Operations' contractor can hoist materials and equipment via a crane onto the Mental Health and Substance Use Wellness Centre (MHSU) roof.

How will this affect you?

- Expect some delays for both drivers and pedestrians.
- MHSU staff and visitors will need to access the MHSU parkade from Allen Street after entering from Brunette Avenue.
- Pedestrians entering the MHSU building may be asked to wait for several minutes.
- Copperstone residents will need to access their parkade from Brunette Avenue for the day.
- There will be flaggers and signs to direct drivers, pedestrians, and cyclists. Please follow directions for your own safety.

We apologize for the inconvenience. Our contractors will minimize the impact of noise, dust, and disruption in accordance with the City's regulations and [Good Neighbour Protocol](#).
