NEW Interpreter Services for Seniors and Families Survey

- Fraser Health LTC/AL contracts services is reviewing what support is available for interpreter services for seniors and their families who may have a diversity of language backgrounds
Please complete a brief survey on the status of interpreter services at your care community by **December 30th**.
- Survey Link: [Interpreter Services for Seniors and Families Survey](#)
- If you have any questions please contact Dominique.Permentier@fraserhealth.ca

UPDATE Friendly reminder Flu readiness reports are due soon

- The Readiness Report is a provincial requirement and needs to be reported to Public Health using Cerberus file sharing service by **December 31st, 2022**
- It provides information that is important in the assessment of influenza outbreak readiness and outlines proactive preparedness for the Influenza Season
- For your convenience, see link [Respiratory Illness Toolkit](#), the report and directions can be found on Tool 21.
