Sent on behalf of the Fraser Health Integrated Long-Term Care and Assisted Living Services

***REMINDER* Weekly LTC/AL Communication updates storage/access**

- Currently all our LTC/AL communication updates are accessible in the LTC/AL COVID-19 toolkit, see attached link "[Recent email updates](#)"
- Note that we will be moving the page to another location once we fully transition away from the COVID-19 toolkit. We will notify you of the change in location once confirmed.

***UPDATE* FH Quality Community of Practice - rescheduled to Feb 8th**

- Please note that we have rescheduled our Community of Practice to February 8th from 1:30pm to 3:00pm as the Healthcare Excellence Canada Quality event is on the same date.
- Please accept the meeting invite if you plan to attend in-person/virtually. If you are able to join in person (spots are limited), please email Raymi at Raymi.Komal@fraserhealth.ca

***NEW* West Coast on Aging Conference April 21 & 22 - In person & virtual this year**

- Join colleagues and an expert faculty to discuss research, initiatives, and policy changes including aging in the 'right' place.
- The two day program includes plenary sessions and options for concurrent sessions that provide opportunities to build broader expertise and interdisciplinary connections on Aging and long term care
- The targeted audience for this conference is FH Contracted , LTC Directors of Care & FH Owned & Operated Long-Term Care – Managers
- Please see attached poster for more detail
